

GoodWorks™

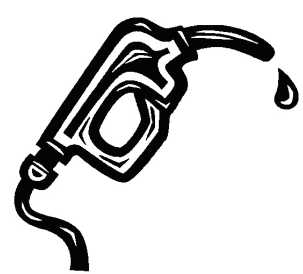

INSURANCE

As the #1 recommended insurance vendor for GASDA, we know you are always busy and even busier when it's time to renew your policies.

GoodWorks represents more than 50 insurance companies and we know that careful comparison shopping equals major savings.

Don't wait until renewal to see how much you can save. The best deals are out there but often take a little time to research and develop. Ask yourself. *Why doesn't my present agent have 50 companies from which to choose? Why am I always in a rush to check my renewal at the last minute? Am I sure I'm getting the best available deal?* Don't wait until it's too late. Contact us today and we'll set up a face to face meeting to discuss how you can obtain the coverage you need at a price that won't break your budget.

Did you know GoodWorks has created a Special Fund that receives 20% of net revenue earned on GASDA insurance policies? Now when you buy a policy for your business, you can direct a donation from the Special Fund to a local charity you care about.
